Spare Clothes

Could you please put a set of spare clothes (not necessarily uniform items) in your child's bag at the present time? There are parts of the school grounds that are particularly wet or muddy and children seem to find these areas and end up needing a change of clothing.

If they have spare clothes in their bags, it makes it a lot easier, rather than phoning home for more clothes. Thank you.

2010 Term Dates

Term 3, 2010

19 July—24 September

Term 4, 2010

11 October—16 December

The CBS Newsletter

The newsletter is published on the first school day of every week of term. It is sent to the email address provided by parents. Today we are sending a hard copy of the newsletter home to ensure that everybody is aware that the newsletter is sent electronically. If you are not receiving your CBS newsletter electronically please email maried@campbellsbay.school.nz If you do not have an email address, hard copies of the newsletter can be found in the school library from 3.00pm on the first school day of each week. Your child is most welcome to take a copy. As communication is so important we want to make sure that everybody is receiving the weekly school newsletter.

Welcome to Cushla Dyson

Welcome to Cushla who started work in the office today. Cushla is not replacing Jackie Fyson as we did not seek a replacement for Jackie. Rather, Cushla will be working with the other members of the CBS office team to provide the best possible service to the CBS community.

Although Cushla's previous employment at CBS centred on the library, she has had extensive work place experience prior to her involvement at CBS. This included heading customer service and logistics teams (NZ) for a global hair products company. We are delighted to have Cushla as a member of our office team.

Maxx on 042

We had another great turn out on the 042 bus on Friday morning, to ride with Maxx (the pukeko). If you want to find out more information about the 042 bus routes (morning and afternoon) please go to the school's website and click on 'school information' and then 'Travelwise.'

'Keeping Ourselves Safe' Parent / Caregiver Meeting

This term your child's class will be teaching the unit **Knowing What to Do Me Mōhio Kia Pēhea**, with help from the local Police Education Officer. This is part of the personal safety programme, Keeping Ourselves Safe.

On Monday, 9 August, 2.15pm—3.00pm, Constable Julie Brown our local Police Education Officer, will present the programme to parents and answer any questions that you may have. A notice has gone home today from classes. Please return the slip if you plan to attend.

Afternoon Tea

Thanks to those who attended our inaugural afternoon tea and thanks, also, to Donna Stapleton for the shortbread! We had a great deal of positive feedback about providing an informal opportunity for parents to meet with school leaders. Such was the feedback that we will have another afternoon early next term. Please watch the newsletter for details

More Medals!

Congratulations to **Natasha and Joshua Adam** who won more trampolining medals at the recent South Island Trampoline Championships held at Pioneer Stadium.

Natasha Rm 15, won gold and silver and Joshua Rm 11, won three silver.
