MINIBALL 2021 (Junior Basketball)

Years Three & Four

Miniball is a junior version of basketball. It is a mixed team sport, which is available to both girls and boys. It is played over the entire year with the competition being split into two semesters:

- *Semester One*: term one and two
- *Semester Two*: term three and four

Each semester is played as a separate competition and separate registrations are taken for each semester. You do not have to commit to both semesters, however when you sign up for a semester, you are committing yourself to the team for the whole semester. If you withdraw from the team half way through the semester, it affects the whole team as well as other teams.

Towards the end of semester one, registrations for semester two will open. Preference will be given first to those already playing before new registrations are taken for semester two. Please note that new registrations for semester two may be dependent on the availability of spaces after re-registrations are completed.

We have two different competitions that our year three and four miniball players can participate in.

Please read the following carefully:

Junior Breakers League/ Competition

Venue: The Breakers Training Venue on Atlas Place in Mairangi Bay.

Dates: Semester one starts on Wednesday 24 February and finishes on Wednesday 7 July. No play during the school holidays.

Time: Wednesday afternoons between approximately 3:30pm and 6:50pm. Game start times vary each week. Your team will be allocated one game start time each Wednesday. Your team might not have the same start time each week. These start times for the entire semester will be published on The Junior Breakers website at the start of the competition.

Please note: We only have space for one team at this competition. Please note that playing in the team at The Junior Breakers means you play in this competition instead of a Tuesday competition. You do not play in both the Tuesday and the Wednesday competition. If you would like your child to be considered for this team, please indicate this during the registration process. This is not a guarantee that your child will get to play in the Wednesday afternoon competition.

Harbour Basketball League

Venue: North Shore Events Centre (NSEC) on Tuesday afternoons and evenings.

Dates: Semester one starts on Tuesday 2 March and runs for 13 weeks. No play during the school holidays.

Time: Your team will be allocated one game time each Tuesday. Your game start time will change from week to week. The first game start time is around 3:45pm and the last game start time around 6:00pm. Your team might not have the same start time each week. The start times for the entire semester will be published on the Harbour Basketball website at the start of the competition.

Girls only league:

This year Harbour Basketball have introduced a girls only league. If your daughter is interested in playing in a team in a girls only league, please indicate this during the online registration process. Please note that there are no guarantees that there will be a girls only team or a place in a girls only team. This will be confirmed once registration numbers are known.

For both competitions

Trainings: Teams will have one morning training once a week in the school hall. The days and times of training will be confirmed once registrations have closed and teams have been formed. If your child wishes to play miniball, it is expected that they turn up to their training sessions and their games.

Trials: There are no trials for Year three and four students.

Fees and registration: \$120.00 for Semester One. Fees need to be paid via our online payment system <https://www.campbellsbay.school.nz/online-payment-portal/>

This will also serve as your child's registration. Registrations close at **5pm Wednesday 17 February.** Please note that late registrations might not be accepted, if numbers do not allow for it.

Coaches and Managers: Each team will need a parent volunteer to coach the team at games. The coach will organise the players at the games, including substitutions. Coaching at the weekly morning training will be provided. A parent volunteer is also needed to help manage the team. The manager liaises with the team regarding the draw and any other information that needs to be passed on. If you would like to volunteer for either of these roles, please do so during the online registration process. Assistance can be given to help get you started in these roles. Please note that you must have successfully completed the school's police vetting process to be a coach or manager.

Uniform: CBS sports top and CBS sports shorts and non-marking sports shoes. No watches or jewellery please. Sports uniforms can be purchased from NZ Uniforms <http://campbellsbay.school.nz/uniform/> Please note: **mouth guards are compulsory**

For any further information, please contact Keri Maunder at kerim@campbellsbay.school.nz

Kind regards,

Keri Maunder

Player Code of Behaviour

I will ...

- Play for enjoyment, not just to win or to please others.
- Play hard but fair and by the rules.
- Be committed to the team. Attend all practices where possible, be punctual, and see the season through.
- Never argue with referees, coaches and officials. Without them, we would not have a game.
- Be a good sport and applaud good play whether by my team or the opposition.
- Thank the opponents, referees and the coach at the end of the game.
- Treat all players, as I would like to be treated.
- Wear the correct sports uniform.
- Use appropriate and acceptable language.
- Win with humility, lose with dignity.

Parents/ Spectators/Supporters Code of Behaviour

I will ...

- Ensure my child wears the correct sports uniform.
- Remember children are involved in sport for their enjoyment, not mine.
- Applaud the performance of both teams.
- Encourage my child to play within the rules and respect the officials, referees and coaches decisions.
- Lead by example and be positive with the officials, coaches and referees.
- Let the players play their game, not mine. Leave the directions of play to the coach.
- Praise efforts not results. Teach my child honest effort is as important as victory.
- Remember children learn best by example. *Comments from the sideline need to be unbiased and positive.*
- Accept umpire/referees decisions whether I agree with them or not.
- Recognise and respect the value and importance of volunteer coaches and managers who give up their time and resources for the sporting benefit of my child.
- Not ridicule or yell at my child or any other player for making a mistake or losing a game.
- Make sure I know the process to follow should I have any concerns regarding incidences or behaviour during a game. I will NOT approach any players or opposition teams directly myself.
- I will notify the school in writing, before I register my child for a team sport, if we are going to be away for more than three weeks during the semester/ league/ competition.
