Year 3 - 6 Cross Country Fun Run

Dear Parents & Caregivers,

The Year 3 - 6 Cross Country Fun Run is planned to take place on Friday 18 June from 9:00am to 10:40am.

Students have been working hard on their learning and training for this event.

The Health and Physical Education learning unit is a six week focus that develops the achievement objective from the curriculum: experience creative, regular, and enjoyable physical activities and describe the benefits to well-being.

The unit encompasses building stamina and fitness, learning about competitiveness and participation for enjoyment, sportsmanship, goal setting, resilience, and how exercise supports well-being.

The Cross Country Fun Run is the celebration of the students' learning, and an opportunity for students to set a personal goal with which to work towards during the fun run. The fun run is also an opportunity to get our community (parents, caregivers and students) together to have fun and celebrate personal success in the run.

To add even more fun throughout the course there will be 'Fun Stations' that students can choose to participate in, or they can simply run past.

Children are encouraged to wear their house colours for the event. To add even more fun - the students can go to town and dress up - be whacky, add face paint; as long as it is all in their house colour.

Fun Run Schedule:

- 9:10am Year 3
- 9:30am Year 4
- 9:55am Year 5
- 10:20am Year 6

Please note these are approximate times, and they may vary on the day.

We hope to see you there, no need to sign in at the office; you can go straight to the field as spectators.

Kind regards,

Patricia Meder & Nathan Janes
Associate Principals
