

## CAMPBELLS BAY SCHOOL

Please use this flowchart to determine if your child should stay home.

Has your child tested positive for COVID-19?

YES

They are a positive case and need to isolate for 7 days. You should inform close contacts. On day 8 they can return to school, they do not need to show a negative test, but they do need to be **symptom free**. Contact the school office 09410744 or [safetycheck@campbellsbay.school.nz](mailto:safetycheck@campbellsbay.school.nz)

NO

Does your child live with someone who has tested positive for COVID-19?

YES

They are a household contact and need to isolate for 7 days. Get a test on Day 3 and again on Day 7. They can return to school on day 8 after a negative test. Contact the school office 094107444 or [safetycheck@campbellsbay.school.nz](mailto:safetycheck@campbellsbay.school.nz)

NO

Is your child getting a test because they feel unwell?

YES

Keep your child at home until test results are known. They can return to school after a negative test and are asymptomatic.

NO

Did your child recently spend time with someone who has COVID-19?

YES

No action required. Your child can attend school as normal. Monitor for symptoms and if they develop, get a test.

If your child is generally unwell, they should not be at school until they are symptom free.
